The prayer in this writ petition is to direct the respondents to prepare a rank list based on the applications received in response to Exhibit-P1 notification and to grant admission on that basis. According to the petitioner, if the applications were processed and admission completed on the basis of Exhibit P1, instead of Exhibit P4, petitioner would have got admission.

2. On the directions of this Court, the 2nd respondent has filed a statement in which it is stated that Rank Number of the petitioner was 206 among 235 candidates. Since there were only 35 seats, even if the applications were processed as contended by the petitioner, she would not have got admission.

In view of this factual position, I do not find any merit in entertaining this writ petition, writ petition is dismissed.
